

Polaryte[®]

The 'HD' logo, featuring the letters 'HD' in a bold, sans-serif font inside a white, rounded rectangular shape with a black border.

Safety Warnings & Advice

Product contains magnets. Keep away from pacemakers, mobile phones and other items which could be affected by magnetic fields.

This product is not a toy. When not in use, store away and keep away from young children.

Not suitable for direct viewing of the sun.

Suitable for driving and other road use during daytime only. (Filter of glasses category 3).

Not suitable for driving in twilight or at night. (Filter of glasses category 3).

The Polaryte HD[®] Sunglasses are designed for general use only.

Using your Polaryte HD®

1. Simply put on your Polaryte HD® Sunglasses so they feel comfortable on your face.
2. You can wear your Polaryte HD® Sunglasses to play sports, walk outdoors, sailing and much more.
3. Polaryte HD® incorporates a magnetic locking system to keep your sunglasses securely in place, but always to-hand, when not in use. Simply close the arms of the sunglasses together on either side of clothing fabric, or a bag strap, and the magnets lock together, through the fabric, holding them just where you need them.
4. Polaryte HD® Sunglasses are designed for use under normal daylight conditions. Exercise common cautionary measures when using, including not staring directly at the sun, not using as machinery eyewear protection and not using at night or indoors.

Cleaning & Care

1. When cleaning your Polaryte HD® Sunglasses, ensure that you use only a soft cloth to remove finger prints and marks from the lenses.
2. You may dampen the cloth, but be sure to wipe the Polaryte HD® Sunglasses dry with another soft cloth (or a different portion of the same soft cloth).
3. For tough blemishes, you can use a small amount of gentle soap when cleaning.
4. DO NOT clean your Polaryte HD® Sunglasses with boiling water. Use only lukewarm or cold water.
5. DO NOT clean your Polaryte HD® Sunglasses with any sort of corrosive chemicals, solvents, or ammonia cleaners.
6. DO NOT leave your Polaryte HD® Sunglasses in an extremely hot location, such as in a hot car or directly by sunlit windows.
7. When not in use, store your Polaryte HD® Sunglasses in the case provided to avoid accidental damage.
